To get to the orchestra room you must go around the school. Go past the new theater, turn left onto the lane that passes along the east side of the school past a large portion of building, and then turn left into the parking lot between the "east unit" and the "south unit." Enter the doors at the southwest corner of that parking lot. Turn to your left and go down the first hall. The orchestra room is the third door on the left, Central Unit #192.
